| SA Steven Zeringue, FBI New Orleans                    |  |

Mr. Millet called the meeting to order at 10:12 am.

Mr. Millet lead the group in the Pledge of Allegiance.

Mr. Millet gave an update of accomplishments over the last year. Bayou Cybercon was held February 12, 2020 and was a large success. There were over 400 attendees and the event raised significant funds for Louisiana InfraGard.

On November 17, 2020, the 2020 USCG District 8 Gulf of Mexico AMSC Exercise (GOMEX) TTX was held.

On November 19, 2020, the 2020 NOLASEC LMR Communications Exercise was held with 262 entities and 365 participants. The exercise covered from mile marker 10 to 245 on the Mississippi River.

Mr. Millet made announcements of upcoming meetings.

SA Jerry Bezet with the FBI Counterintelligence Division gave a presentation about China and its five year plan for the future. He discussed what has lead to the trade war with China and how the country has changed. He also

detailed how the Chinese government has prioritized spending within China. SA Bezet spoke about how technology is stolen and used to develop the Chinese economy. He discussed strategies to protect the United States from theft of intellectual property by the Chinese government.

SA Steve Zeringue spoke about the WMD program. He also addressed issues with China and their exploitation of DNA research on US citizens. SA Zeringue spoke about the drone program and its importance, particularly around the airports.

Cdr. Eric Acosta (Chairman) went through a roll call of members in attendance. He spoke about Board Members participation as Sector Chiefs as well as reporting of new members recruited. Board Members should sign up for two sectors rather than all of them. Cmdr. Acosta reported on the following sectors:

Chemical: currently open

Commercial Facilities: Ron Martin

Communications: Josh Tannehill

Manufacturing: no report

Maritime Domain (Dams): Cdr. Acosta/Lester Millet III

Defense Space: Glenda Snodgrass

Emergency Services: Ric Moore – not present, Nathan Landry (LA Fusion Center) gave a report

Energy – no report

Financial Services – Nancy Nahan

Food/Agriculture – currently open

Government Facilities – currently open

Information Technology – April Danos and Theresa Jones

Healthcare – Dr. Robert Mueller

Nuclear – currently open

Transportation (Pipeline) – Ed Landgraf gave a report on pipelines

February 24, 2021**

Transportation (Aviation) – George Rey

Wastewater – George Charles – no report

Cdr. Acosta requested all Sector Chiefs provide an updated bio as well as a synopsis of their reports for today.

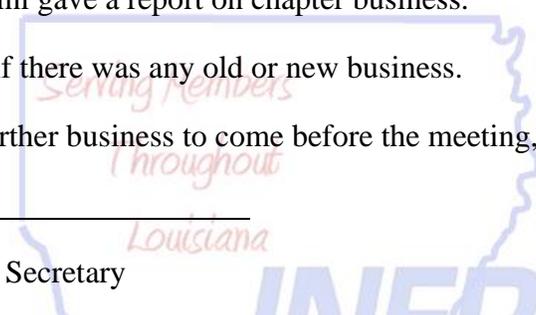

SA Corey Harris reported on trends in cybersecurity mostly focused on ransomware.

VP Marco Bodellini gave a report on chapter business.

Mr. Millet asked if there was any old or new business.

There being no further business to come before the meeting, it was adjourned on motion duly made and carried.

Mike W. Aertker, Secretary
